1. The minutes of the 54th meeting were approved after [REDACTED] requested rewording paragraph 4 as follows: [REDACTED] informed the committee that as a result of a recent conference, certain monitoring information of a highly classified nature has been downgraded in classification, thereby making possible wider dissemination of this information. This may result in more of this data being made available to RSB/OCR."

2. A staff study assessing the value of services performed by the Radio Stations Branch, SR/OCR was presented to the Committee. The Chairman instructed the Committee to submit to the Secretary by 10 February comments or suggested changes to the staff study. The Chairman reported that at the [REDACTED] in January, a strong recognition of the usefulness of the RSB/SR was manifested as well as a desire of the [REDACTED] to make increasing use of its material. [REDACTED] reported that he was designated Chief, RSB/SR/OCR.

3. With respect to the OSI [REDACTED] Conference, the Chairman requested the Committee to review the trip report dated 17 November 1958 with accompanying recommendations. This item will be discussed at the next meeting of IOTAC with interested elements of the Agency concerned.

5. [REDACTED] reported the ESO is reviewing the Agency position with respect to the [REDACTED] jammer project of the Department of Defense in which OSI has participated. 25X1A2g

6. No members of IOTAC had any information on the current status of Project [REDACTED]. The Chairman agreed to provide a briefing of this project at the next meeting.

7. The next meeting of IOTAC was scheduled for 3 March. The meeting closed at 1115 hours.

Respectfully submitted,

[REDACTED]  
Secretary
